## REPORT OF SUPERINTENDENT OF SCHOOLS

---

*To the School Board of Bradford District:—*

GENTLEMEN :—

After an interim of one year it is very pleasing to me to have once more the pleasure and privilege of writing an annual superintendent's report for your district. Following is a statistical report of Bradford Schools for the year 1933-34 under the able direction of Supt. A. W. Bushnell.

### TEACHERS EMPLOYED

School	Teacher
Center	Doris B. Williams
Primary	Martha W. Cilley
Grammar	Elizabeth J. Hounsell

# REGISTER SUMMARIES

	Center	Primary	Grammar	Total	1932-1933
Half-days in session	358	356	356	1070	1080
Half-days lost	2	4	4	10	0
Number pupils Registered	22	42	33	97	89
Average membership	20.02	37.60	29.66	87.35	78.99
Percent attendance	88.61	90.53	94.03	91.36	95.16
Number tardinesses	9	77	64	150	85
Av. tardinesses per pupil	.44	2.04	2.15	1.71	1.07

No. visits Superintendent	15	45	42	102	90
No. visits Citizens	12	118	19	149	377

The number of pupils attending school in the district was 118 distributed as follows:—

In the local elementary school	97
Deduct three from other districts	3
<hr/>	
Number residing in district and attending public school	94
In Concord High School	5
In Henniker High School	3
Newport High School	1
Warner High School	15
<hr/>	
Total	118

From the above table it may be noted:—

1. One or two days were lost in each school.
2. The overage membership for the district has increased about 8.
3. The percent of attendance has fallen considerably and is about 4% below the average for the state. Regular attendance is essential to regular progress in the work of pupils.
4. The number of tardinesses has increased about 76%. Parents should make every effort to teach punctuality. Getting to school on time is a practical way to do it.
5. Of the fifteen pupils who completed the work of the eighth grade last June, nearly two-thirds have gone to high schools in nearby towns.

## ROLL OF PERFECT ATTENDANCE

For 1 year: Lois Ayer, Florence Ayer, Helen Stevens, Wesley Wells.

For 24 weeks: Lana Haireck, Pauline Gage, Lena Gaudreau.

For 12 weeks: Valia Gaudreau, Stanley Riley, Barbara Schoch, Lloyd Nolan, Eilidh Stoddart, George Romanos, Joseph Schoch, Rita Verge, Charlotte Stafford, Frances Barstow, Howard Bagley, Pauline Douglass, Eleanor Dodge, Clara Heselton, Walter Heselton.

Good progress was made in health work in the schools during the year. A dental clinic was held with the assistance of Dr. R. F. Oliver and Miss Wilson who was part-time school nurse for a few months. More work of this kind is needed. Health of school children is a matter of prime importance. Without this they can accomplish little. We would recommend the regular employment of a school nurse sharing her time with other districts and paying a proportionate part of her salary. The cost would probably be about \$125.00 per year.

Considerable interest in instruction in music in the schools has been manifested. A trained teacher who would give at least a half hour of instruction weekly in this subject in each school of the district could be hired for \$150.00. Music is a subject of instruction in practically all the schools of the state, and is taught in all the other districts in this supervisory union. The children of this district would receive much benefit from instruction in this subject which is becoming more and more a part of our daily life.

As in our report for 1932 we would continue to recommend the consideration of a new building for the village school. The cost of materials and labor is now comparatively low. Aid may be obtained from the Federal Government on very generous terms. The old building is poorly lighted, and ventilated. The playground is entirely inadequate to the needs of the school, and pupils playing there are exposed to the danger of traffic on the main road. The children of the district are worthy of a better school home.

In conclusion we thank the parents and other citizens of the district who have co-operated with the schools for the benefit of the pupils. The loyalty, support, and unflagging interest of all the teachers and members of the school board have made the progress of the schools certain, and work with them a pleasure.

Respectfully submitted,

JOHN A. SINCLAIR,

*Superintendent of Schools.*
